1. Use a jQuery method to toggle between sliding up and down a <div> element, when clicking on a button.

2. Use the animate() method to move a <div> element 250 pixels to the right.

3. Use the animate() method to set the following CSS properties for <div>: opacity:0.4, height:500px, width:500px.

4. Use the animate() method to set the font-size of a <div> element to 100 pixels. The duration of the effect should be slow.

5. Create cartoon animation using jQuery.
